

16 x 12 OFFICE POD MOBILE OFFICE

\$24,995

A private, professional workspace wherever you need it.

Model: OF1612

Compact | Private | Professional

The Office Pod is a compact mobile office that delivers the comfort and professionalism of a real office — without the permanent footprint.

Designed for efficiency and natural light, it's the right fit for construction sites, sales lots, and remote operations where a private, polished workspace makes all the difference. Quick to set up and easy to relocate, it's built tough enough to handle changing job sites and evolving business needs.

HSF: 184

Best For:

- ✓ On-site supervisors and project managers
- ✓ Private offices on large jobsites
- ✓ Sales or leasing check-in spaces
- ✓ Remote or satellite offices
- ✓ Quiet meeting or focus rooms

Key Features:

- Bright, open interior with natural light
- Space for a full workstation and guest seating
- Professional, modern exterior
- Climate-ready for year-round daily use
- Easy to transport and redeploy
